Board Evaluation

Optimise board performance

Admincontrol's Board Evaluation is developed through years of experience with evaluating boards and optimising board performance. Evaluate your board with our best pratice survey that provides key insights.

The survey covers five main topics, and takes about 15 minutes to complete. Once the response is submitted, a ready-to-use report is generated.

Actionable insights
Provides insights into the board's performance relative to best practice

Evaluate and enhance
Fosters a culture of feedback, openness and improvement

Transparent
Advances transparency, accountability and oversight

Anonymous feedback
Improves valuable insight

Actionable report
A ready-to-go report with your evaluation insights
